Now, he's the only person who can help find her missing sister. She'll use him because she has to. She'll pay anything he demands, whether in the bank or the bedroom. She won't fall for him again. They tell him nothing else; not even that the beautiful woman who makes his heart beat faster is not just his partner, but also his wife. The secret she must keep wrecks Denise, who wants only to return to Mason's arms. But despite the desire that still burns hot between them, she can't tell him who she is—or that she's carrying his child. But when dark forces threaten both their lives in order to retrieve the information trapped in Mason's mind, it's not their past that will be tested, but the tenuous new love now burning hot between them. **RUINED WITH YOU** When her high maintenance boss is assaulted, manager Xena Morgan contacts the only person who can help—the sexy, arrogant, incredibly capable Stark Security agent Liam Foster. The former vigilante takes every case personally, and he's determined to find answers—particularly since he thought he'd cleared this threat already. Xena had been thrilled when Liam completed his assignment, because he affected her in ways she didn't want to contemplate, awakening yearnings that threatened her deepest secrets. But now she needs him, and her body won't let her forget it. As their attraction heats to a feverish degree, the web of lies, danger, and passion they find themselves in tangles further. The Image of the City Kevin Lynch, 1964-06-15 The classic work on the evaluation of city form. What does the city's form actually mean to the people who live there? What can the city planner do to make the city's image more vivid and memorable to the city dweller? To answer these questions, Mr. Lynch, supported by studies of Los Angeles, Boston, and Jersey City, formulates a new criterion—imageability—and shows its potential value as a guide for the building and rebuilding of cities. The wide scope of this study leads to an original and vital method for the evaluation of city form. The architect, the

Shadow Moon Chris Claremont, George Lucas, 2018-04-17 From two of the greatest imaginations of our time comes a magnificent novel of adventure and magic...SHADOW MOON: First in the Chronicles of the Shadow War. The genius of Star Wars(r) creator George Lucas and the vision of Chris Claremont, the author of the phenomenally bestselling *The Uncanny X-Men* adventures, merge in what must be the fantasy event of the year. In *Shadow Moon*, war and chaos have gripped the land

of Tir Asleen. An ancient prophecy reveals one hope: a savior princess who will ascend to the throne when the time is right. But first, a Nelwyn wanderer must face forces of unimaginable malevolence and dangerous, forbidden rites of necromancy that could bring back a powerful warrior from soulless sleep. George Lucas reshaped filmmaking in the '70s and '80s with his Star Wars and Indiana Jones films. When Bantam Books asked Lucas if he had any stories he would like to develop as novels rather than as films, Lucas turned to his 1988 fantasy film, Willow. When I wrote the story for Willow, I began with the pre-story, Lucas said, but the full story was yet to be told. Now, Lucas's vision is being fulfilled with the talented help of Chris Claremont. Having previously taken the reins of what was for a decade the bestselling comic in the western hemisphere (The Uncanny X-Men) Claremont assumes the responsibility of foster parent to Lucas's creation. On sale in hardcover now, and available on BDD Audio Cassette as well, SHADOW MOON is a momentous new adventure for readers looking to spend part of this summer in a fantastic world. SHADOW MOON is one of Bantam Spectra's most exciting publishing events in 1995, the year we celebrate our 10th Anniversary as the premiere publishing imprint of books of speculative fiction.

Shot in the Heart Mikal Gilmore, 2009-09-23 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A murder tale from inside the house where murder is born. Haunting, harrowing, and profoundly affecting, *Shot in the Heart* exposes and explores a dark vein of American life that most of us would rather ignore. It is a book that will leave no reader unchanged. Gary Gilmore, the infamous murderer immortalized by Norman Mailer in *The Executioner's Song*, campaigned for his own death and was executed by firing squad in 1977. Writer Mikal Gilmore is his younger brother. In *Shot in the Heart*, he tells the stunning story of their wildly dysfunctional family: their mother, a black sheep daughter of unforgiving Mormon farmers; their father, a drunk, thief, and con man. It was a family destroyed by a multigenerational history of child abuse, alcoholism, crime, adultery, and murder. Mikal, burdened with the guilt of being his father's favorite and the shame of being Gary's brother, gracefully and painfully relates his story from inside the house where murder is born... a house that, in some ways, [he has] never been able to leave. *Shot in the Heart* is the history of an American family inextricably tied up with violence, and the story of how the children of this family committed murder and murdered themselves in payment for a long lineage of ruin.
