

Dont Be Like Trump

Bruce Feiler

Don't Be Like Trump John Connolly, Carol X Vinzant, 2020-08-05 Mom, why is Donald Trump such a jerk? If you or your kids have ever asked this question, Don't Be Like Trump is here to inform and entertain you. Now that you're homeschooling during the Covid-19 pandemic, you may have to learn or teach about Trump yourself in the 2020 election. Trump provides the perfect example of how not to behave, speak, and treat people. Now there's a book to help your kids understand why Trump alarms most Americans. Most kids' presidential biographies gloss over the scandals and bad behavior. We explain how Trump wants to return to an America that wasn't great for Blacks, women, immigrants, or anyone different. We explore his worrying relationship with dictators. Don't Be Like Trump explains the long history of useless border walls, Trump's military service (just kidding!), and the Resistance in an accessible, breezy style. Plus! 12 activities make learning about our awful president fun, including: - Impersonate the President- Get Rich Quick Using Trump's Proven Method- Prove You are Smarter than the President with Quizzes- Annoy President Donald Trump Eight Different Ways

50 Things They Don't Want You to Know Jerome Hudson, 2019-09-17 Breitbart.com editor Jerome Hudson delivers the red pills his readers know him for, showing you the facts, statistics, and analysis that the mainstream media have worked so hard to hide Description: If you heard that one president deported more people than any other president, started the program of family separation, and did nothing to stop Russia's election meddling, how many of them would guess it was Obama? In 50 Things They Don't Want You to Know Jerome Hudson dives deeply into the things Americans are not supposed to realize. Many of our most hotly debate topics are shaped by Davos power brokers, woke college professors, TV talking heads, social media activists and feckless Washington swamp monsters who want you to only follow their narrative. Your teachers, your politicians, and your local paper are not likely to ever tell you: Racial minorities fare far better in the absence of race-based affirmative action policies. Latinos make up a little more than 50% of the Border Patrol, according to 2016 data. The U.S. settled more refugees in 2017 than any other nation. Between 2011 and 2016, the IRS documented 1.3 million identity thefts by Illegal aliens. Half of federal arrests are immigration-related. Welfare recipients in 34 states earn more than a person making minimum wage. Taxpayers doled out \$2.6 billion in food stamps to dead people in less than two years. 1,700 private jets flew to Davos to discuss the impact of global warming. Google could swing an election by secretly adjusting its search algorithm, and we would have no way of knowing. Once you're done reading 50 Things They Don't Want You to

Know, you'll never trust the powers that be to give you the whole truth again.

Lessons in Leadership Steve Aduvato, 2016-09 In this practical guide, Emmy Award-winning public broadcasting anchor Steve Aduvato teaches readers to be self-aware, empathetic, and more effective leaders at work and at home. His powerful case studies spotlighting dozens of leaders—from Pope Francis to New Jersey governor Chris Christie—are complemented by concrete tips and tools based in real-life scenarios. With *Lessons in Leadership*, readers can learn to steer others through difficult economic times, to mentor rising leaders, to provide straight talk to underperforming employees, and even how to lead a company through a significant change.

The Beautiful Poetry of Donald Trump Rob Sears, 2024-09-26 For the last decade, Rob Sears has been painstakingly combing the words of Donald J. Trump for signs of poetry. To the surprise of many, he has found riches. By simply cutting up and reordering lines from Trump's tweets, Truths and transcripts, Sears has unearthed a trove of exquisite verse that was just waiting to be found. In this expanded edition of a poetry classic, fans can rediscover a writer of rare conviction (thirty-four felony charges and counting), and for the first time ponder the full span of Trump's artistic flowering and the paradoxes it poses. Like: How can one and the same person unite critics with beautiful poems, yet prove so divisive in his 'other life' as a political leader? And how can a man many consider desperately flawed produce works of such grace as 'All I ask is fairness', 'My hands are normal hands' and 'Shithole countries'? *The Beautiful Poetry of Donald Trump* is a carefully curated collection for our times that will make a thought-provoking addition to any poetry-lover's library.

What Were We Thinking Carlos Lozada, 2020-10-06 The Washington Post's Pulitzer Prize-winning book critic uses the books of the Trump era to argue that our response to this presidency reflects the same failures of imagination that made it possible. As a book critic for The Washington Post, Carlos Lozada has read some 150 volumes claiming to diagnose why Trump was elected and what his presidency reveals about our nation. Many of these, he's found, are more defensive than incisive, more righteous than right. In *What Were We Thinking*, Lozada uses these books to tell the story of how we understand ourselves in the Trump era, using as his main characters the political ideas and debates at play in America today. He dissects works on the white working class like *Hillbilly Elegy*; manifestos from the anti-Trump resistance like *On Tyranny* and *No Is Not Enough*; books on race, gender, and identity like *How to Be an Antiracist* and *Good and Mad*; polemics on the future of the conservative movement like *The Corrosion of Conservatism*; and of course plenty of books about Trump himself. Lozada's argument is provocative: that many of these books—whether written by liberals or conservatives, activists or academics, Trump's true believers or his harshest critics—are vulnerable to the same blind spots, resentments, and failures that gave us his presidency. But Lozada also highlights the books that succeed in illuminating how America is changing in the 21st century. *What Were We Thinking* is an intellectual history of the Trump era in real time, helping us transcend the battles of the moment and see ourselves for who we really are.

Ship of Fools Tucker Carlson,2019-10-01 The #1 New York Times bestseller from FOX News star of Tucker Carlson Tonight offers “a targeted snipe at the Democrats and Republicans and their elite enablers” (New York Journal of Books) in a funny political commentary on how America’s ruling class has failed everyday Americans. “Informal and often humorous...an entertainingly told narrative of elite malfeasance” (Publishers Weekly), Tucker Carlson’s Ship of Fools tells the truth about the new American elites, a group whose power and wealth has grown beyond imagination even as the rest of the country has withered. The people who run America now barely interact with it. They fly on their own planes, ski on their own mountains, watch sporting events far from the stands in sky boxes. They have total contempt for you. In Ship of Fools, Tucker Carlson offers a blistering critique of our new overlords and answers the all-important question: How do we put the country back on course? Traditional liberals are gone, he writes. The patchouli-scented hand-wringers who worried about whales and defended free speech have been replaced by globalists who hide their hard-edged economic agenda behind the smokescreen of identity politics. They’ll outsource your job while lecturing you about transgender bathrooms. Left and right, Carlson says, are no longer meaningful categories in America. “The rift is between those who benefit from the status quo, and those who don’t.” Our leaders are fools, Carlson concludes, “unaware that they are captains of a sinking ship.” But in the signature and witty style that viewers of Tucker Carlson Tonight enjoy so much, Ship of Fools is “bulging with big and interesting ideas, presented succinctly with wit and precision, each chapter a potential book in itself” (The Washington Times).

Trump Never Give Up Donald J. Trump,2010-12-29 In Never Give Up, Donald Trump tells the dramatic stories of his biggest challenges, lowest moments, and worst mistakes—and how he uses tenacity and creativity to turn defeat into victory. Each chapter includes an inspiring story from Trump’s career and concludes with expert commentary and coaching from adversity researcher and author Paul Stoltz. Inspirational and intelligent, Never Give Up will help you deal with your own personal challenges, failures, and weaknesses.

Think Like a Champion Donald Trump,2010-04-06 Over the years, President Donald Trump has written many bestselling books, but he has also written shorter essays that encompass his philosophy about how to live life to the fullest, both personally and professionally. In these pieces, which have been personally selected by Trump for this book, he gives his special perspective in what amounts to an informal education about success in business and in life. With a foreword by Rich Dad, Poor Dad, author Robert Kiyosaki, Trump's business acumen is on full display in such essays as: *Keep the Big Picture in Mind *Essays, Assets, and Stephen King *Imagination: A Key to Financial Savvy *Financial Literacy *Think Like a Genius *How to Get Rich

A Child's First Book of Trump Michael Ian Black,2016-07-05 A humorous satirical field guide for identifying and defeating a Trump when discovered in the wilds of a presidential election--

Too Much and Never Enough Mary L. Trump,2022-01-04 In this revelatory, authoritative portrait of Donald J. Trump

and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who occupied the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

The Real Deal George A. Sorial, Damian Bates, 2019-06-11 Remember when Trump was a great boss, a great father, and a great businessman, before the liberal media rewrote that narrative? That's still the real Trump. Longtime Trump Organization executive and attorney George A. Sorial saw the real Trump firsthand, from the early days of The Apprentice to the passing of power to the younger generation before the inauguration. He learned from his boss how to use chaos, the media, and a single-minded focus to achieve things everyone else said were impossible. He learned how to predict what the world's least predictable leader would do next. In The Real Deal, George A. Sorial and Damian Bates, a former newspaper editor who has covered Trump for years, explain the forty-fifth president's business and political strategies in detail. Often what looks complicated is just a man giving the people what he wants. For instance, why would Trump run for president, when winning would be a financial disaster for him? He was forced to set aside his TV contracts and international expansion, costing him hundreds of millions of dollars. The answer is: because everyone he talked to wanted him to run to make America great again. In this book we see a man barely recognizable from the media's depiction. We see the deliberate and cunning reasons he scolds people, gets impatient with complicated briefings, hires neophytes, and starts fights in the media. We also see a boss who was hard-working, fun, well read, generous with opportunities, and endlessly interested in outside opinions. The mainstream media has tried to undermine the president at every turn by spreading lies about his management abilities, his negotiation style, and his business success. Now, in The Real Deal, George A. Sorial and Damian Bates explain how

Trump's unusual style worked so well for decades—and how it's working better in the White House than anyone realizes.

The Secrets of Happy Families Bruce Feiler,2013-08-01 Bestselling author and New York Times family columnist Bruce Feiler found himself squeezed between caring for ageing parents and raising his children. So he set out on a three-year journey to find the smartest ideas and the most cutting-edge research about families of all varieties, novel solutions to make his own family happier. Instead of the usual psychologists and family 'experts', he sought out the most creative minds - from Silicon Valley to the set of Modern Family, from top negotiators to the army - and asked them what team-building exercises and problem-solving techniques they use. Feiler then tested these ideas with his wife and kids. The result is a fun, completely original look at how families can draw closer together. Feiler's life-changing discoveries include a radical plan to reshape your family in twenty minutes a week, Warren Buffett's guide for setting an allowance, and the Harvard handbook for resolving conflict. *The Secrets of Happy Families* is a timely, counterintuitive book that answers the questions countless parents are asking: how do we manage the chaos of our lives? How do we teach our kids values? How do we make our family happier? Written in a charming, accessible style, *The Secrets of Happy Families* is smart, funny and fresh, and will forever change how your family lives every day.

Trump: The Art of the Deal Donald Trump,2016-11-17 _____ THE NUMBER ONE BESTSELLER FROM THE 45th PRESIDENT OF THE UNITED STATES 'I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big.' - Donald J. Trump Here is Trump in action - how he runs his business and how he runs his life - as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and changes the face of the New York City skyline. But even a maverick plays by the rules, and Trump has formulated eleven guidelines for success. He isolates the common elements in his greatest deals; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump talks - really talks - about how he does it. *Trump: The Art of the Deal* is an unguarded look at the mind of a brilliant entrepreneur and an unprecedented education in the practice of deal-making. It's the most streetwise business book there is - and the ultimate read for anyone interested in making money and achieving success, and knowing the man behind the spotlight.

Dear Mr President Sophie Siers,2019-04-04 Sam has a problem. He has to share a room with his older brother and things aren't easy. When Sam sees Donald Trump on TV talking about 'the wall' he realises a solution is at hand! But who knew that planning a wall could be so tricky? The letters that follow invite conversations about the question of living with others in times of conflict. The voice of the young boy show adults something of the nature of peace and good relationships.

Moral Politics George Lakoff,2016-09-05 An updated third edition of the modern classic that applies cognitive science to the world of politics—to explain how our unconscious views shape our votes. When *Moral Politics* was first published, it redefined how Americans think and talk about politics through the lens of cognitive political psychology. Today, George

Lakoff's classic text has become all the more relevant, as liberals and conservatives have come to hold even more vigorously opposed views of the world, with the underlying assumptions of their respective worldviews at the level of basic morality. Even more so than when Lakoff wrote, liberals and conservatives simply have very different, deeply held beliefs about what is right and wrong. Lakoff reveals radically different but remarkably consistent conceptions of morality on both the left and right. Moral worldviews, like most deep ways of understanding the world, are unconscious—part of our hard-wired brain circuitry. When confronted with facts that don't fit our moral worldview, our brains work automatically and unconsciously to ignore or reject these facts, and it takes extraordinary openness and awareness of this phenomenon to pay critical attention to the countless facts we're presented with each day. For this edition, Lakoff has added a new preface and afterword, extending his observations to various ideological conflicts since the book's original publication, from the Affordable Care Act to the Iraq and Afghanistan wars, the 2008 financial crisis, and the effects of global warming. One might have hoped such massive changes and challenges would bring people together, but the reverse has actually happened; the divide between liberals and conservatives has become stronger and more virulent. To have any hope of bringing mutual respect to the current social and political divide, we need to clearly understand the problem and make it part of our contemporary public discourse. *Moral Politics* offers a much-needed wake-up call to both the left and the right. "An intelligent take on the way politics is conducted in America." —Publishers Weekly "That conservatives and liberals see the world differently comes as no news to most, but Lakoff's look into just why that should be so makes for interesting reading." —Kirkus Reviews

Trump: The Way to the Top Donald J. Trump, 2004-05-18 The host of the hit reality show *The Apprentice* presents an invaluable collection of grounded, hard-hitting advice on business success, from people who have made it to the boss's chair at some of America's most thriving companies. How can you find the way to the top? Ask people who are already there. Because you can't know it all. No matter how smart you are, no matter how comprehensive your education, no matter how wide-ranging your business experience, there's simply no way to acquire all the wisdom you need to make your business flourish. You need to learn from those who have blazed a trail before you. Donald Trump has asked many of the brightest, most successful businesspeople he knows—and some he doesn't know—to answer this question: What's the best business advice you ever received? The result is a compelling resource of wisdom and wit that reveals how some of the most accomplished people conduct their personal and business affairs, giving an inside look into the secrets of corporate success. But the advice doesn't only come from the upper echelons of the Fortune 500. Thoughts poured in from executives at thriving companies large and small, ranging from well-known icons such as Staples, American Airlines, Lillian Vernon, and Boeing to family-run operations like Orleans Homebuilders and Carlson Companies. *The Way to the Top* brings together the core ideas that have guided more than 150 of today's top businesspeople, offering a range of inspiring and practical advice on making good decisions, conducting yourself appropriately, developing your career, communicating with others, leading a team

effectively, and much more. Some of the entries are simple entreaties, some portray intriguing vignettes, and others outline lists of guiding principles; all are illuminating, instructive, and insightful. A telling to-do list for the aspiring professional, *The Way to the Top* belongs on every business bookshelf.

Strangers in Their Own Land Arlie Russell Hochschild, 2018-02-20 The National Book Award Finalist and New York Times bestseller that became a guide and balm for a country struggling to understand the election of Donald Trump A generous but disconcerting look at the Tea Party. . . . This is a smart, respectful and compelling book. —Jason DeParle, The New York Times Book Review When Donald Trump won the 2016 presidential election, a bewildered nation turned to *Strangers in Their Own Land* to understand what Trump voters were thinking when they cast their ballots. Arlie Hochschild, one of the most influential sociologists of her generation, had spent the preceding five years immersed in the community around Lake Charles, Louisiana, a Tea Party stronghold. As Jedediah Purdy put it in the *New Republic*, Hochschild is fascinated by how people make sense of their lives. . . . [Her] attentive, detailed portraits . . . reveal a gulf between Hochschild's 'strangers in their own land' and a new elite. Already a favorite common read book in communities and on campuses across the country and called humble and important by David Brooks and masterly by Atul Gawande, Hochschild's book has been lauded by Noam Chomsky, New Orleans mayor Mitch Landrieu, and countless others. The paperback edition features a new afterword by the author reflecting on the election of Donald Trump and the other events that have unfolded both in Louisiana and around the country since the hardcover edition was published, and also includes a readers' group guide at the back of the book.

Moral Politics George Lakoff, 2010-12-15 In this classic text, the first full-scale application of cognitive science to politics, George Lakoff analyzes the unconscious and rhetorical worldviews of liberals and conservatives, discovering radically different but remarkably consistent conceptions of morality on both the left and right. For this new edition, Lakoff adds a preface and an afterword extending his observations to major ideological conflicts since the book's original publication, from the impeachment of Bill Clinton to the 2000 presidential election and its aftermath.

Amusing Ourselves to Death Neil Postman, 2005-12-27 What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. It's unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman." -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. *Amusing Ourselves to Death* is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for

regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one." -Jonathan Yardley, The Washington Post Book World

My Little Golden Book About Ruth Bader Ginsburg Shana Corey, 2020-12-01 Help your little one dream big with a Little Golden Book biography all about the late Supreme Court Justice Ruth Bader Ginsburg! The perfect introduction to nonfiction for preschoolers! This Little Golden Book is a compelling introduction to an inspiring woman, written for the youngest readers. Dont Be Like Trump Introduction

In the digital age, access to information has become easier than ever before. The ability to download Dont Be Like Trump has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Dont Be Like Trump has opened up a world of possibilities. Downloading Dont Be Like Trump provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Dont Be Like Trump has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Dont Be Like Trump. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites,

granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Dont Be Like Trump. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Dont Be Like Trump, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Dont Be Like Trump has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Dont Be Like Trump Books

1. Where can I buy Dont Be Like Trump books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?
