The Serpent's Promise Steve Jones,2013-05-02 The Bible was the first scientific textbook of all; and it got some things right (and plenty more wrong). Steve Jones' new book rewrites it in the light of modern science. Are we all descended from a single couple, a real-life Adam and Eve? Was the Bible's great flood really a memory of the end of the Ice Age? Will we ever get back to Methuselah given that British life expectancy is still rising by six hours a day, every day? Many people deny the power of faith, many more the power of science. In this ground-breaking work, geneticist Steve Jones explores their shared mysteries - from the origins of life and humankind to sex, age, death and the end of the universe. He steps aside from the noisy debate between believers and unbelievers to show how the same questions preoccupy us today as in biblical times - and that science offers many of the answers. Erudite and accessible, *The Serpent's Promise* is a witty and thoughtful account of the ability and the limits of science to tell us what we are.

The Hidden Book in the Bible Richard Elliott Friedman,2009-06-23 Renowned biblical sleuth and scholar Richard Elliot Friedman reveals the first work of prose literature in the world-a 3000-year-old epic hidden within the books of the Hebrew Bible. Written by a single, masterful author but obscured by ancient editors and lost for millennia, this brilliant epic of love, deception, war, and redemption is a compelling account of humankind's complex relationship with God. Friedman boldly restores this prose masterpiece-the very heart of the Bible-to the extraordinary form in which it was originally written.

The Oxford Book of Bible Stories Berlie Doherty, 2007-10-04 Here is a collection of some of the most powerful and wonderful stories from the Old Testament. We can trace the lives of memorable Biblical characters across the generations including Noah, Abraham, Jacob, Moses, Ruth, Saul and David. Their lives are played out in turbulent times - and the drama of great floods, plagues, journeys, and battles is revealed to us through stories that have been retold with spirit and originality by Berlie Doherty. From this epic sweep, Berlie Doherty's narrative draws out the emotions of real men and women: their hopes and fears, grief and joy, fulfilment and suffering, compassion and betrayal. Berlie Doherty brings us to an understanding of the promises that these people keep and the mistakes they make. Through all this we discover more about God and our faith in him.
