Dressing Up Kathy Ryan, 2015-01-01 Candid portraits by acclaimed photographer Lee Friedlander showcase the many hands at work behind New York Fashion Week. Lee Friedlander (b. 1934) is one of the most renowned photographers of his generation. Through Friedlander's lens, people in their everyday environments are transformed into arresting portraits, and the banal features of roadsides, storefronts, and city streets become vivid scenery. In *Dressing Up*, Friedlander ventures into new territory, turning his eye to the rarefied world of fashion and revealing precisely what is commonplace about it: behind the glamorous spectacle of the runway are many people hard at work. The photographs, commissioned by the New York Times Magazine, were taken in 2006 during New York Fashion Week, when the artist spent time backstage at the Marc Jacobs, Donna Karan, Calvin Klein, Zac Posen, Oscar de la Renta, and Proenza Schouler shows. The resulting images, many of which are published here for the first time, depict a flurry of toiling stylists, dressers, makeup artists, photographers, and models--all of them preparing, but not quite prepared, for an image to be taken. Lovers of photography and high-end fashion will be surprised and intrigued by this inside glimpse into the world of runway design.

Whiskey in a Teacup Reese Witherspoon, 2018-09-18 Academy award-winning actress, producer and entrepreneur Reese Witherspoon invites you into her world, where she infuses the southern style, parties and traditions she loves with contemporary flair and charm. Reese Witherspoon's grandmother Dorothea always said that a combination of beauty and strength made southern women 'whiskey in a teacup'. We may be delicate and ornamental on the outside, she said, but inside we're strong and fiery. Reese's southern heritage informs her whole life, and she loves sharing the joys of southern living with practically everyone she meets. She takes the South wherever she goes with bluegrass, big holiday parties, and plenty of Dorothea's fried chicken. It's reflected in how she entertains, decorates her home, and makes holidays special for her kids - not to mention how she talks, dances and does her hair (in these pages, you will learn Reese's fail-proof, only slightly insane hot-roller technique). Reese loves sharing Dorothea's most delicious recipes as well as her favourite southern traditions, from midnight barn parties to backyard bridal showers, magical Christmas mornings to rollicking honky-tonks. It's easy to bring a little bit of Reese's world into your home, no matter where you live. After all, there's a southern side to every place in the world, right?
